

TEMPLE BETH ELOHIM
COLLEGE CONTACT AND BEYOND
A JEWISH OUTREACH PROGRAM

Dear Parents,

Do you have a child in college?

Is your son or daughter in graduate school?

Does your child attend school in a foreign country?

If you answered YES to any of the above, please read on - this letter is for you!

For more than 25 years, Temple Beth Elohim has maintained contact with our young Jewish adults through its successful "College Contact and Beyond" program.

To all of those Jewish children of temple members who attend college or graduate school, we send gift subscriptions to MOMENT magazine, a fine publication of Jewish interest. In addition, we send out our temple bulletin, as well as reprints of articles that may be of interest to our college students. As a special treat, to aid in the celebration of the Jewish holidays and festivals, we send background information and Jewish "survival kits."

For those young people who are entering their freshman year at college, we offer to pay the initial dues to Hillel as an incentive for them to affiliate with the Hillel Foundation on their college campus.

If you wish your child to benefit from this program, please complete the form below and return it promptly to Shira Safran, at the address below. If your child has been on our list in past years, and is still attending college, please submit to us their name and current address again.

With warmest regards,

College Contact Committee
